Get Career-Ready in a Work-Based Learning

WHAT IS IT? A work-based learning provides you with real-life experiences while you hone your current skills and develop your employability in a paid position!

WHAT ARE THE BENEFITS? You can explore your interests, determine your goals, and plan for your future. You will receive one-on-one, student-centered support from trained UP Michigan Works! (UPMW) specialists, who will provide the necessary tools to fit your needs, ensuring a fun, safe, and successful summer work experience.

WHO IS ELIGIBLE? Program eligibility is determined through an assessment of your circumstances in relation to a set of established criteria. Examples of eligibility criteria include age, income, and barriers. A thorough assessment of circumstances will be conducted to determine your eligibility.

WHAT IF I'M NOT ELIGIBLE? Students who are ineligible will receive the same support from a UPMW specialist, including career exploration exercises and placement into a paid-or-unpaid summer internship.
